This Course offers many benefits to those people who are looking for:

- ◆ Career Structure for young and those people looking for a new career pathway.
- ◆ Working within your own business or adding another strand of income to an existing business.
- ◆ Working to your own hours
- ◆ Become a Wedding Specialist, develop your Signature Brand within your community.
- ◆ While completing the Modules, you can start planning your business with the Business Planner offered.
- ◆ Learn, not only new life skills, but become knowledgeable about pricing and managing costing— always stay in financial control.
- ◆ Work from an unused bedroom, old shed, re-vamp an old glass house, develop an outside space and become 'Shabby Chic' but with taste and style and above all else,
- ◆ Develop your skills and build your future that will travel with you—this is skill-based, proactive education for the 21st Century.
- ◆ Do not invest in expensive leases while you learn your skills, stay cautious and observant.

BUILDING SKILLS TAKES TIME—BUT LIKE MOST SKILLS—THE MORE YOU PRACTISE, THE BETTER YOU BECOME

Full Potential Education & Training is offering this 12 Week, Online Course that allows our students to gain many life skills, while at the same time, if they wish, developing their own business.

The skill-base is transferable, meaning you may wish to work for somebody else while you gain experience, or equally, through the course, you may have the confidence to start your own business.

The course consists of 12 Modules. Each Module covers a different topic and each offers you the chance to build your life-long skill base, which will continually grow and change as you learn new techniques.

THIS IS HOW IT WORKS

1. Because of the importance of this information, we are offering the 12 Modules in Separate Packages; you can buy one Module at a time. You have 30 days to complete each module.
2. Prior to booking the Course, we send you either a booking or enrolment form. At the time of booking and payment, we send you our PDF, FREE Download Sample of our book, 'How To Create Easy Wedding Bouquets,' and the Gallery of Work which becomes a kept record of your work and is the Assessment for your Certificate.
3. If you wish to complete the Course in one go, we can support you by sending you the secure links to each Module which you can immediately download. If you buy the complete package, you have 6 months to complete it.
4. The course links are non-transferable and will only activate to at your computer.
5. If you buy one Module at a time, you have a 30 day window to complete each Module. You can take any length of time to complete your course, but each Module must be completed in each 30 day cycle. The Course is Accredited with CPD Accreditation and will contribute towards Professional Development.
6. With the Accreditation comes the CPD Accreditation Certificate.
7. You enrol and choose the payment method that best suits you. We are now offering a Part-Payment System.
8. Each Modules cost is \$200.00 per Module . Each Module can be paid separately.
9. Once all 12 Modules are completed, you receive your Accredited Certificate.

BUILDING YOUR SKILL BASE

As a qualified educator, author and business owner, I have only got to this position by continually working and expanding my experiences. From being a trainee florist in London in the 1960s, creating designs for the Queen's visit, and being the florist for the Prime Minister of Australia, and then going to university; by continually working to expand my skill base, I know that continuous, hard work pays many dividends .

By staying committed to your training, you will conquer many mountains, but above all else, you will feel the positivity within your wellbeing grow, and you will love every moment of the journey you travel.

YOU WILL LEARN

MODULE ONE: Introduction to wiring and wedding bouquet construction.

MODULE TWO: Tools needed and how to create the Focal Area within your wedding design work.

MODULE THREE: Making wired, ribbon bows for wedding bouquets, learning how to physically balance a bouquet learning how to apply parafilm tape to wires.

MODULE FOUR: Bows, ribbon handles and bouquet construction.

MODULE FIVE: Bouquet handles, wired and wired, self-stem bouquet designs.

MODULE SIX: Colour and its importance in your design work.

MODULE SEVEN: Texture plays a role in Commercial Floristry.

MODULE EIGHT: Creating a fresh flower buttonhole, and corsage—the start of wired work with flowers and leaves.

MODULE NINE: The hand-tied , rose bouquet.

MODULE TEN: The hand-tied bouquet , self-stem bouquet of white carnation and babies breath.

MODULE ELEVEN: The all green bouquet.

MODULE TWELVE: The wired and self-stem bouquet.

Building Like Skills For The Future
